CLASS HISTORY

Dear classmates, as we stand tonight upon the threshold of new ventures, having completed another milestone upon our journey through life may we pause to reminisce in the past. When we think back, though the going has sometimes been rough the past four years have passed swiftly and carried with them many happy hours.

We entered high school in September of 1947 with 25 on roll. Mrs. George Blair was our sponsor and Mr. K. S. Tyler, our principal.

Like all freshman classes it took us about a week or more to get settled down to work. After we had adjusted ourselves to our studies and to each other, we decided to elect our class officers. The class chose Agnes Gibson as our President, Nell Cundiff as our Vice-President.

This year of high school was enjoyed by all. We were very much disappointed when we lost Rubye Chism because of her health. We also lost Jean Reynolds, Anne Hedrick who moved to Gretna, Clarence Blair, Grady Owen, Herman Maxie and Peggy Jefferson who left us Christmas and moved to Newport News.

As our freshman year drew close to an end we planned a picnic with the sophomore class. We had it at school one evening and enjoyed a movie at Gretna afterwards.

In the fall of 1948 we started bravely forward on the second lap of our journey. We were not as excited as we were the first year, but even more thrilled because we were drawing nearer and nearer to our goal as seniors. As we entered our home room we found we had Mrs. Pearl Berger as our sponsor and Mr. K. S. Tyler as our principal.

This year we chose Agnes Gibson as our President and Jean Rorer as our Vice-President.

Almost all of the members of our class belonged to some club now, such as Beta Club, 4-H Club, Glee Club, F. H. A. and F. F. A. All of these clubs have meant a lot to us from time to time.

We had 18 on roll. We lost Curtis English, Ray Wilkes, and Roy Henry Witcher. During the year Peggy Jefferson moved back from Newport News and joined us again.

This year we had a picnic in the lunch room, afterwards went to Chatham to the movie. We saw "Chicken Every Sunday".

We had one more lap completed on our journey as we cheerfully went home with our report cards marked, promoted to grade 11.

As we entered school for our junior year we found we had Miss Lucille Anderson as our sponsor and Mr. Fred M. Reynolds as our new principal.

We chose Jean Rorer as our President and Verne Anderson as our Vice-President.

We had on roll this year 16. We gained Gladys Wilson who moved from Dan River, and J. W. Osborne started back to school again. Marcia Ramsey and Juanita DeBoe dropped back as sophomores.

Our class rings brought one of our greatest thrills this year. Also we all enjoyed giving the seniors a banquet which was entitled "Over The Rainbow". We had the banquet at the Country Club. We all had a wonderful time.

We had a Junior-Senior Christmas party this year, too.

Near the end of school Ethelene Hedrick dropped out because of her health. Lida Ann Shelton and Susie McCrickard dropped because they planned to get married. Peggy Jefferson quit because of her father's health.

In the fall of 1950 we soon were seated in the same home room we had occupied the year before but as everyone was thrilled to say he was a senior. Miss Lucille Anderson was our sponsor and Mr. Fred M. Reynolds our principal.

Our officers this year were Jean Rorer, President; Agnes Gibson, Vice-President; Nell Cundiff, Secretary and Treasurer; and Juanita DeBoe, Reporter.

Now upon our final year in high school we found that we had only 13 members left on roll. We had left Quitman Arthur back in the junior class. Gladys Wilson, J. W. Osborne, and Wiley Watson gave up the goal but somehow in exchange for the three lost we gained four. Marcia Ramsey and Juanita DeBoe, who made up for lost time and joined us upon the final stretch.

Benjamin Riddle and Leslie Hedrick dropped back with us from 1950.

The outstanding events of this year were the Junior-Senior Banquet, the Senior Play and the Senior Picnic.

Graduation of course held the foremost place in our minds all through the year as we selected our calling cards and invitations. As is expected we had some disappointments, lots of hard work but loads of fun. The good times we had here at Climax during the past four years will be among our treasured memories.

CLASS PROPHECY

In September all the talk at Climax was about the Big Danville Fair. I was going, of course, and so were the other seniors. My girl friend and I were together, but somehow we got separated. I think I looked in every crook and corner, but no Shirley did I see. As I was about to give up, I noticed a sign which read, ''Have Your Fortune Told Here''. I'm a nosey kind of person, so in the tent I went. To my surprise I was the only one there. I wondered what the big crystal ball was for. As I walked up to it, I was carried away into the year of 1960.

Miss Agnes Gibson is secretary of Glen Thompson's band. Whew! I could hardly believe that what I had always dreamed of had come true. Still gazing further I saw that Miss Nell Cundiff has quit her teaching position to become a housewife.

Miss Jean Rorer went to Paris on her honeymoon and since they liked the city so well they decided to live there.

Miss J'Nell Tompkins is Home Economics teacher at Climax. She seems to have her eye on the Agriculture teacher.

Betty Reynolds is still flirting with the boys, but she likes her job as a secretary of Riddle's Lumber Co.

Juanita DeBoe, now Mrs. E. H. Barksdale, Jr. lives in Altavista.

Mary Ellen Towler is working in the Burlington Mills at Altavista.

The children drag in and out of school every day with Marcia Ramsey doing the teaching.

''Lindy'' Hammock is taking cows to the stock market, and his truck to the garage.

Melvin Shelton is still single and has nothing to argue with except his fiddle.

Bashful Leslie Hedrick is sitting at home waiting for a girl to ask him for a date.

''Ben'' Riddle has bought a new Buick and doesn't have to borrow his Dad's.

Verne Anderson is living at Chatham, where he owns a big dairy farm.

I was brought back to the present by a tap on the shoulder by the fortune teller, She asked me if I'd like for her to tell my fortune. I told her no, that while she was out I had looked into the crystal ball and found out all I wanted to know.

You can bet I left that tent before she had time to charge me for the use of her crystal ball.

This is the second edition of the ''Climax Eagle''. Even though it is far from perfect, we hope that there is some improvement over last year. It would be impossible to have an annual without the co-operation of the advertisers, the student body, and the members of the faculty. We would like to express our appreciation to each of these, and especially to Mr. Fred Reynolds, who has willingly helped us in every possible way.

All the members of the Senior Class helped in some way to add to the ''Eagle''. J'Nell Tompkins, Leslie Hedrick and Benjamin Riddle were absent when the picture was made.
